

VISION IN FOCUS
(Or What In Hus Is Going On?)

- The next step with the Sunday school rooms is the murals. The stenciling of Polar PC is nearly complete and painting will begin soon.
- Training for the 1st set of Rotational Sunday school has been completed.
- We have volunteers to build our moveable stage and the movie theatre seat risers.
- The custom built desk has been completed and the audio/visual equipment has been installed in it. Thank you to Betty & Eldie's nephew Lee for the outstanding job that he did on the desk.
- A theater company has graciously donated 20 theater chairs. They were to have been here last week, but due to another blizzard the delivery has been postponed again. Please pray for good weather.

There are many other projects and plans coming together for exciting ministry at Hus Church. Don't miss out! Be a part of what God is doing through Hus Church. For ideas on where you can be involved, pick up a Hus Church Ministry Guide and find your place of service!
